# About Anika Sky

Anika Sky's songs show a new rhythmic and theatrical take on modern music. Ranging from folk melodies to rap and funk, Anika has created a style of music that is conversational and ever-spiraling, her lyrics expressing deep emotion in an unconventional way.

Anika has experience performing in pop/rock settings and a background in jazz guitar. Born and raised in St. Petersburg, FL, She now attends Berklee College of Music, playing shows in Boston with her band "The Anika Sky Orbit". Her debut EP "Eyeshot" showcases the uniqueness of her sound.
